

Dear Valued Client,

We are pleased to announce the activation of a SEBI-validated UPI ID for investor fund transfers in alignment with the recent SEBI circular (SEBI/HO/DEPA-II/DEPA-II_SRG/P/CIR/2025/86 dated June 11, 2025).

- capstocks.brk@validhdfc / capstocks.rzp.brk@validaxis for broker
- capstocks.dp@validhdfc for Depository Participant
- capstocks.pms@validhdfc for Portfolio Management Service
- caps.ra@validhdfc for Research Analyst
- capstocks.rzp.brk@validaxis for Commodity

For added security, SEBI has introduced a special QR code design featuring a “thumbs-up” logo at its centre. This mark confirms that the payment is being made to a SEBI-registered intermediary. Always ensure that this “thumbs-up” logo is visible in the QR code before scanning or transferring funds.

This UPI handle is:

- Verified and approved by SEBI
- Using the @valid handle exclusively assigned to SEBI-registered intermediaries
- Directly linked to Capstocks’ official bank account
- Designed to ensure secure, seamless, and authenticated transactions

Key Benefits of SEBI-Validated UPI Handles

- Instant fund transfers with real-time confirmation
- Enhanced safety and fraud protection
- Compatibility with major banks and digital wallets
- Assurance of authenticity through the .brk@validbank format indicating SEBI registration

How to Add Funds via UPI

1. Log in to your Capstocks Online or Mobile Trading Platform.
2. Select the “Add Funds” option under the Funds section.
3. Enter the desired amount and choose UPI as the payment method.
4. A secure payment request will be sent to your registered UPI app by Capstocks.
5. Verify that the payment request is from capstocks.brk@validhdfc / capstocks.brk@validhdfc / capstocks.rzp.brk@validaxis for broker , or capstocks.dp@validhdfc / capstocks.pms@validhdfc for Portfolio Management Service / caps.ra@validhdfc for Research Analyst before approving.
6. Approve the payment to complete your transaction.

⚠ Important:

Please do not initiate UPI transfers directly to any Capstocks UPI ID. Such transactions will not be processed, and the amount will be reversed within a few working days.

Introducing SEBI’s “SEBI Check” Tool

To help investors make secure transactions, SEBI has also introduced the “**SEBI Check**” tool, to verify the authenticity of the bank account details and UPI IDs of SEBI registered intermediaries with the help of the bank account number and IFSC code or @valid UPI ID. You can check by visiting [SEBI Check](#) or Saarthi app of SEBI.
